

Spc. Dt. **Reyyan ÇOBAN**

Reyyan Çoban was born on July 23, 1995, in Gaziantep, Turkey. She began her career in dentistry in 2014 at Near East University, where she successfully completed her education at the master's level. Throughout her professional journey, she has specialized in smile design, prosthodontics, and implantology, gaining extensive knowledge and experience in these fields. In addition to her formal education, she has attended numerous courses, consistently striving to enhance her skills and stay updated with the latest dental practices.

In her clinical practice, Reyyan Çoban adopts a personalized approach, managing treatment processes that prioritize patients' expectations. She remains committed to delivering the highest quality care by adhering to professional ethics and providing aesthetic and functional dental solutions. Her areas of expertise include implantology, restorative prosthodontics, and aesthetic dentistry, through which she has established herself as a leading specialist in the field.
